Summer 2025 New Releases

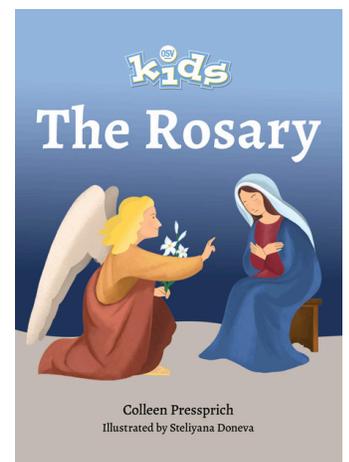

Children can spend hours paging through OSV Kids Discover: The Pope. This book is filled with fun facts and eye-catching graphics about the life, history, theology, and unique role of the office of the pope.

The pope is the head of the Catholic Church. He is the successor to Saint Peter -- the first pope and the person to whom Jesus gave the keys to the Kingdom of Heaven. In the two thousand years since Jesus announced he was going to build his Church upon Saint Peter, hundreds of men have held the title of Pope. Fun fact: Did you know that the word "pope" comes from the Latin word *papa*, which means father?

From discovering interesting information about papal pets and popemobiles to absorbing serious explanations of papal authority and infallibility, children can return to this book again and again to enjoy and appreciate the gift of the papacy to the Church.

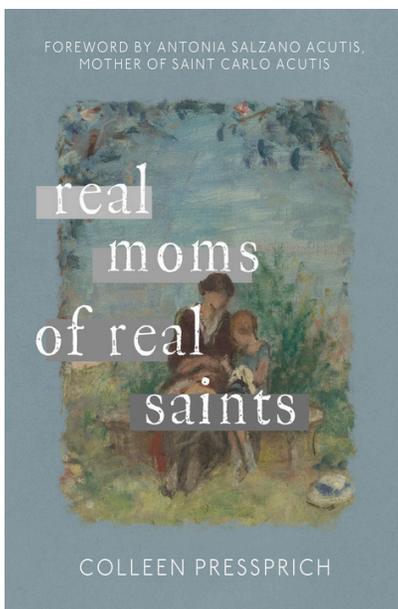

When we pray the Rosary, we remember important moments in the life of Jesus and Mary, which are known as the Mysteries of the Rosary. With a Rosary book of their own, children can take the first steps in developing a life of prayer and devotion to the Blessed Mother, who always leads us to Jesus.

Perfect for families, schools, and parishes, this beautifully illustrated booklet includes instructions and all the prayers of the Rosary, along with age-appropriate meditations and questions for reflection.

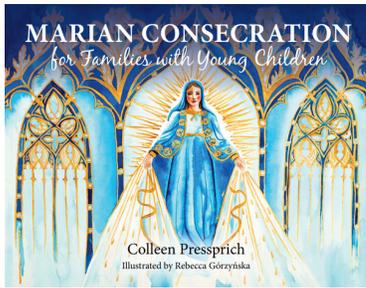

Draw close to the moms of the saints and learn from their virtues, struggles, failures, and joys in this deeply personal exploration of the vocation of motherhood.

Through the stories of women like Giuseppa, the mother of Padre Pio, and Martha, the mother of Venerable Augustus Tolton, author Colleen Pressprich offers profound spiritual, psychological, and practical insights into motherhood, bringing you face-to-face—and heart-to-heart—with new friends and intercessors for your own adventure of raising future saints.

Featuring a traditional 33-day preparation for consecration, this book is written and beautifully illustrated to help children to understand and grow in faith and Marian devotion. Each day includes an image of Mary, a short reflection, and discussion questions to spark faith-filled conversations.

The Jesse Tree for Families presents a lovely, achievable way to celebrate the liturgical season of Advent with your children. Each day focuses on a specific person from Jesus' family tree with a meditation perfect for the whole family and a beautifully illustrated portrait, plus an ornament to hang on your family's Jesse tree. Conversation starters and resources for parents are included, with the goal of helping your family grow in faith so that, together, you can prepare for the arrival of Christmas.

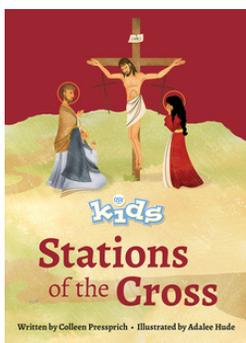

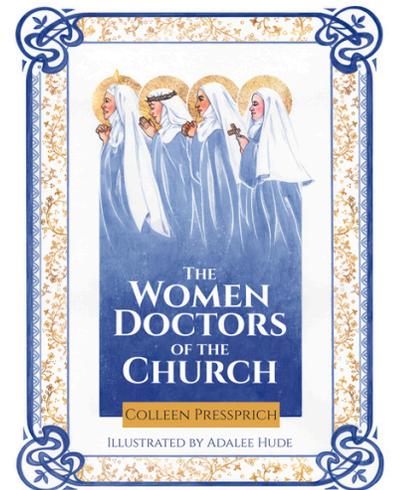

In **God the Father's Love**, you will encounter the heart of God the Father for yourself -- perhaps for the first time -- and find the words and confidence to guide your children along the first steps of their journey with God. This beautifully illustrated book dives into twenty different Scripture passages that reveal God the Father's love for us. You'll be guided through the process of reading and relating to Scripture as a family, and conversation starters at the end of each chapter will help spark meaningful discussion and reflection.

The **Women Doctors of the Church** is a beautifully illustrated introduction for children to four extraordinary women who have helped shape the Church. Saint Hildegard of Bingen, Saint Teresa of Ávila, Saint Catherine of Siena, and Saint Thérèse of Lisieux all faced unique challenges in their lives but fixed their identities firmly in Christ and became incredible examples of holiness. These women -- called Doctors of the Church for their intellectual and spiritual impact -- show us what it means to have a servant's heart, how to love God and neighbor, and why it's important to follow God's unique plan for our lives.

The **Women Doctors of the Church** brings these amazing women to life for young hearts and minds, reminding us that we are all called to be saints -- and maybe even someday Doctors of the Church!

OSV Kids Stations of the Cross helps children understand and connect with the Passion of Christ. Perfect for schools, parishes, and families, this wonderfully illustrated booklet includes age-appropriate descriptions of each Station, prayers, and questions for reflection and discussion.

This beautiful, ancient devotion allows children to understand the strength and mercy of God, to praise and thank Jesus for giving his life for us, and, ultimately, to find great hope in the redemption of the world through his holy cross. As children walk with Jesus in **OSV Kids Stations of the Cross**, they begin to see how he walks with them at home, at school, and in every moment of their lives.
